Dear Members

This serves to inform you that in terms of clause 5(3)(c) of the Registration and Administration Expenses Collective Agreement (RAECA) as published in Government Notice R. 2 570 of 7 October 2022, the levies payable thereof are **to increase with effect from 1 April each year of the agreement** by the preceding December year-on-year CPI rate published by Stats SA.

The December '22 year-on-year CPI rate was 7.2% as per attached Statistical Release P0141 of 18 January 2023 and the increases in the levies are accordingly tabulated in the table below:

	EMPLOYEE CONTRIBUTION from 01/04/2023		EMPLOYER CONTRIBUTION from 01/04/2023		TOTAL CONTRIBUTION from 01/04/2023		APPLICABILITY

All employers falling within the scope of this agreement are legally obliged to deduct from employees and add their own contributions and pay both contributions to the Metal and Engineering Industries Bargaining Council as reflected in the table above **with effect from 1 April 2023**.

**Please note:**

It must be pointed out that where the total amount payable to the Council is less than R175.00 per month, employers are **no longer** required to make this amount up.

MIBFA will update the electronic Monthly Contribution submissions screen to reflect the changes to contributions and the manual forms will be amended and dispatched by MIBFA to all Employers in the industry.

Yours Sincerely
