Wage Negotiation Advisory No. 32

Dear Members,

**REPORT FOLLOWING WAGE NEGOTIATION MEETING HELD YESTERDAY, 08 SEPTEMBER 2020**

In the third CCMA-facilitated Main Agreement negotiation meeting held yesterday, 08 September 2020, SAEFA made significant progress towards reaching an agreement with Solidarity trade union. In response to the proposal made by SAEFA (shared with members previously), Solidarity proposed that the parties meet again next week, in order to work clause by clause through the agreement with a view to recording all areas of agreement and highlighting those areas left for further negotiation. Solidarity expressed their agreement with certain proposals made by SAEFA thus far.

It was agreed that this further, concentrated engagement would take place under the auspices of the MEIBC on 16 September 2020 and that further CCMA-facilitated discussions will then follow in due course, if required.

SAEFA will keep members fully informed of developments as they occur.

Yours sincerely,

Gordon Angus
